### November 2016 update from your LMC

#### Association of Greater Manchester LMCs

We are delighted to announce that our very own Chair, Dr Amir Hannan has been elected to serve as Chair of the Association of Greater Manchester LMCs for the next 2 years.

This is a massive achievement and means that Dr Hannan, on behalf of the Greater Manchester LMCs will be at the very forefront of the planning and implementation of the rapidly evolving developments in Primary Care in Greater Manchester.

As DEVO GM unfolds, Dr Hannan is well placed to be the voice of grass root GPs across Greater Manchester. If you have any opinions and ideas you wish Dr Hannan to share on your behalf, please do get in touch. [westpenninelmc@btconnect.com](mailto:westpenninelmc@btconnect.com)

### **PCSE monitoring**

Thank you to those of you who sent reports to help the GPC monitor PCSE. I have attached the GPC's report and there are clearly massive problems nationally. The GPC continue to discuss appropriate compensation for GPs for the extra work caused by the issues and have said they will provide an update in due course.

### **Humberside LMC Funding Document**

I have attached a copy of a very useful document produced by our colleagues at Humberside LMC and commended nationally, identifying and summarising current funding and support streams. While we fully appreciate some of these are local schemes are not applicable to our areas and some of the deadlines have been missed, you may find it useful reading.

You will also find a copy in the Useful Documents section of our website.
