Practice Nurse Vacancy (Part time 20 hours per week- negotiable)

We are a 2 partner (plus locum) GP Practice in Lees, and have approximately 4600 patients. The practice is a new purpose built premises in Lees Village. We have recently employed an HCA a few days per week to help with management of our patients and to support the Practice Nurse.

The ideal candidate would need to be competent in achieving QOF targets including read coding and have excellent communication skills and be a team player. Clinical audit skills would be advantageous but not essential.

Experience in the following would be essential

- Chronic disease management
- Childhood immunisations
- Cervical Cytology
- Travel advice and immunisations
- Cervical cytology

Hours would be approx 20 per week (negotiable) and salary and holiday are depending on experience.

Please send CV and supporting letter to Emma Plant Practice Manager at the above address or email emma.plant@nhs.net (please note job description is available on request)
