

Clarendon Medical Practice, Hyde, Cheshire

Job Overview

Clarendon Medical Practice is offering a brilliant opportunity for a self-motivated, enthusiastic Salaried GP, with a view to full partnership to join our friendly, forward-looking teaching practice in Hyde. We have a great team of GP Partners, Salaried GPs, nursing staff, ANP, allied health professionals and administrative staff to offer full support to our 7500+ patients. We are looking for 6-8 sessions per week.

- PMS Practice
- CQC rating: good
- Clinical Governance ethos underpinning care provision
- Closely involved with an excellent PCN- working hard for clinicians and patients
- EMIS Web, Docman, AccuRx Plus, Dragon Medical
- Generous annual and study leave entitlements
- Competitive salary based on skills and experience but with a view to full profit sharing partnership
- NHS Pension
- Working closely with our existing team to continually develop excellence in our clinical services

Main duties of the job

You will be expected to provide excellent clinical care for our patients via face to face consultations, online and video consultations and home visits if required. You will deal with associated clinical administrative duties.

Be involved with GP on call rota.

Be involved with teaching and training our complement of ST and FY2 doctors

Engage with Practice Meetings and Clinical Governance Meetings.

Contribute to Practice Development, Audit, and PCN processes

About Us

We are a friendly, well established practice with a supportive and egalitarian culture.

We currently have 1 full time partner, 2 part time partners, 2 part time salaried GPs, one full time ANP, 2 Practice nurses and a team of HCA/phlebotomists. We work with PCN-linked paramedics, pharmacist and physician associate. We will be working with PCN based high level mental health practitioners.

We have a dedicated Clinical Governance team.

We have a full complement of experienced administrative staff offering excellent support to the clinical teams.

Job Responsibilities

To be able to provide a full range of NHS primary medical services to our patients including; clinical examination, diagnosis, treatment and referral as appropriate.

Qualifications

Essential

Qualified General Practitioner
