

4-8 sessions Salaried GP, £10K per session

Kapur Family Care, Werneth Primary Care Centre, OLDHAM

An exciting opportunity to fill a salaried GP vacancy for four to eight session per week in Oldham, Close to the M60 and M62 motorways.

Join a well-established training practice with excellent patient care as its core ethos and a focus on good work life balance. Excellent retainment of clinical staff reflects the high job satisfaction among the team.

Work in a modern, purpose built health centre with spacious, comfortable rooms and excellent facilities.

Routine GP appointments are fifteen minutes long, reducing time pressure and facilitating comprehensive care. Morning sessions comprise ten fifteen minute appointments followed by Three emergency and four telephone appointments. Afternoon sessions comprise ten fifteen minute appointments. Home visits are equally shared and rarely exceed more than one per GP.

You will be very well supported by our experienced GPs and encouraged to development any special interests you may have.

The team is comprised of three GP partners, one salaried GP, two GP trainees, one advanced nurse practitioner, three practice nurses , one assistant practitioner, one phlebotomist, one practice manager and seven reception staff.

We would welcome you informally to meet the team and discuss the workings of the practice and keep any interest in strictest confidence.
