

Staveleigh Medical Centre. Salaried GP Vacancy

Situated in the heart of Stalybridge, we are a friendly training practice serving a population 6600 people of mixed social background but largely English ethnicity.

We are seeking a part time Salaried GP for 4 sessions per week with a possibility of increase in sessions from April 2020. Start date negotiable as we are willing to be flexible for the right candidate.

Why you should choose Staveleigh:

- We are a young and dynamic team whose morale remains high in the face of the increasing challenges in primary care.
- We constantly maintain high QOF points through good team working across the practice.
- Earnings are above average with NO MPIG.
- Good recent CQC outcome covering all domains.
- Our own purpose built surgery which we hope to develop further in the near future.
- We have an excellent in house team all working for each other resulting in a happy, satisfying work environment.
- We use SystmOne computer system which we have developed to an exceptionally high level to streamline our work and thereby make us more effective.
- Opportunity to live within easy commuting distance of numerous desirable locations on the western fringe of the lovely Peak District and within easy reach of the city of Manchester.

Why should we choose You?

- We want enthusiasm, compassion and commitment in our incoming Salaried GP/ Partner.
- We want eclectic skills but with the potential to complement our own skill mix. An interest in child health, sexual health and teaching and training would be desirable.
- The practice has a very good reputation which we hope to enhance by making the right appointment.

Apply by emailing a current CV and covering letter to the practice manager Mrs D Teasdale dteasdale@nhs.net
