Salaried GP with a View to Partnership

An exciting opportunity has arisen at the Greenbank Medical Practice for a committed GP to join our thriving 10,500 patient practice. We are a well established practice with a good reputation, looking for an enthusiastic GP to join our team with a view to partnership.

We provide a friendly working environment with good CQC rating and high QOF achievement, supporting our team to develop skills and interests, a good work life balance and portfolio career.

We are a training practice and welcome the opportunity for any further career development. We are located in Oldham, in a large purpose built building and benefit from easy access to the motorway, public transport links and onsite parking.

We have a happy and skilled practice team who offer a high quality, responsive health care service. We pride ourselves on patient satisfaction and family centric values for both patients and staff, accommodating flexible working patterns where possible. We are a professional and focused team whilst retaining a friendly atmosphere.
